

Slavia pojišťovna (Insurance Company) statement concerning payment of antigen tests

According to the Czech Republic Government Resolution of 28th January 2021 No. 81, testing for the presence of SARS-CoV-2 virus antigen by POC antigen tests is only reimbursed to people in the Czech Republic public health system.

Due to the above, as a commercial insurance company, Slavia pojišťovna does not reimburse POC antigen tests for the presence of SARS-CoV-2 virus antigen.
