

Slavia pojišťovna statement on the amendment to Act 326/1999 Coll., on the residence of aliens in the territory of the Czech Republic

Slavia pojišťovna undertakes to continue to provide its clients with the same insurance coverage within a product called Comprehensive Health Insurance for Foreigners.

Slavia pojišťovna further warns its clients that all insurance agreements concluded before August 2nd, 2021, i.e., before the entry into force of the amendment to Act 326/1999 Coll., on the residence of aliens in the territory of the Czech Republic, remain valid until the termination date of the insurance specified within the insurance agreement, unless the insurance is terminated earlier, according to the reasons stated in insurance conditions. In connection with the amendment to the said Act, therefore there is no necessity to terminate these valid insurance agreements now. After their termination, clients will have to arrange new insurance agreements with only one specific insurance company which is now legally permitted to take out comprehensive health insurance for foreigners.

This amendment to the Act does not apply to urgent care insurance.
